Subject: FYI - FOIA request may be coming from Freedom Industries

Hi Fran,

I just wanted to let you know that Freedom Industries may be submitting a FOIA request because they believe there is a lot of information that we have that they are not aware of, possibly more from the water side of things at EPA (not sure)? I believe it was one of Freedom Industries attorneys that asked us if he could submit the FOIA request.

Just wanted to give you a heads up, that they may submit a FOIA request to EPA to gather all information we have.

Melissa
